

Do you enjoying working outside? Working with your hands? Watching a project complete from start to finish?

If you answered yes to any of the above questions keep reading and apply today.

We are in search of individuals to help provide services in our weatherization program. Our weatherization program provides a variety of services in residential homes within Ross County. Services include but are not limited to, insulating homes, installing roof vents, gable vents, weather stripping, and door sweeps, caulking and sealing air leaks and some other basic repairs as assigned by crew leader.

What you will do:

- Must follow all safety policies, rules, and regulations according to OSHA guidelines.
- Must have a Valid Driver's License and be insurable under Agency Policy
- Must be able to lift up to 40 lbs.
- Must pass pre-employment screenings
- Must be at least 18 years of age or older
- Requires the ability to work with and be sensitive to the needs of low-income, elderly, and minority residents.

Benefits:

- 401K
- Paid Holidays
- Paid vacation & sick time
- Health, Vision & Dental Insurance
- Paid training in the Weatherization Field (opportunity to get technical training & earn industry certifications).
