

# Ways you can make a difference

Ross County  
Community  
Resource Center

The Ross County Community Resource Center will open its doors on Tuesday, December 12, 2023.

Our dedicated staff will provide round-the-clock support daily for almost 50 individuals, but a community resource center serves everybody best with **support from community members like you!**

Whether it involves donating time, food, clothing or funds, your charitable donation to the Ross County Community Resource Center makes a **direct impact** on your community.
